Subject : THEFT OF 9 BAGS OF PADDY AT TEGUR DEPOT :

Reference my endorsement No.0/9868 dated 22-4-1947 on the above subject.

****

It has been reported by the Police Sub-Inspector, Mugad, that the theft of 9 bags of paddy seeds is true but the case not traceable (copy of the report of the Police Inspector, Mugad enclosed). The Deputy Director of Agriculture, Southern Division, Dharwar, therefore has represented to me in his No. 44/11513 dated 17-5-1947 that the watchman who is the owner of the building in which bags were stored, has failed to perform his duties properly and that the amount of pay and rent that is to be paid to him should not be given to him but that it should be taken as recovery against the amount of loss of 9 bags viz. Rs.160-14-0. This department has to pay this watchman an amount of Rs.68-1-0 (on account of his pay and rent of the building). The Deputy Director of Agriculture, Dharwar, therefore, has recommended that this amount of Rupees 68-1-0 (Sixty Eight & Anna One Only) should be recovered from the watchman and the remaining amount of Rs.92-13-0 (Rupees Ninety-Two & Annas Thirteen Only) be written of as he (watchman) is not in a position to give the full amount. I agree with the Deputy Director and request that Government may please be moved to write off the amount of Rs.92-13-0 for loss of paddy bags and issue early orders in the matter.

For Director of Agriculture,
(E & R.D)

Copy forwarded with compliments to the District Agricultural Officer,, Dharwar, for information with reference to letter No. 44/14740 dated 14-7-1947 from the Deputy Director of Agriculture, Southern Division, Dharwar.

Nine bags of paddy seeds were stolen on midnight of 5.3.47. The matter was reported to the Police Dept. The report of the Police sub-Inspector, Mugad is not quite clear. It seems the case has not been investigated. The A.R.D may be requested to obtain clarification from the Dy. Dir. of Agr. S.D. Dharwar. Further it also seems necessary to ascertain from him whether the bags of paddy seed are entrusted to be stored in the building of the watchman so that full recovery may be made from him

Submitted with ref. to the O.M. dated the 28th August (sic).

2. J.D. interprets the report of the Police Sub-Inspector, Mugad as that the case was not investigated. However, it may be pointed out that the sub-inspector has clearly stated in the first sentence of his report that the enquiry has been completed. He further certifies that the case is true. Instead of saying that it was not traceable it seems that he has wrongly translated it as 'not investigated' which contradicts his statement in the preceding sentence of the report. In view of this it does not seem necessary to ask for clarification from the D.A.O. Dharwar.

3. J.D. further suggests that it should be ascertained from the D.A.O. whether the bags are still being stored

stores in the building owned by the same watchman. & if so that the money should be recovered from him in full. The Dy. Dir. has already certified that the watchman is not in a position to give all the amount. Even if it is presumed that the sees is continued to be stored in the same building, in view of the Dy. Dir's remarks concurred in by the Dist. Magn., it would not be proper to squeeze the full worth of the stolen bags from the watchman.

4. The pps. may, therefore, be shown again to the D. D. with a request to agree to the A-R.D. proposal.

The seeds are no longer being stored in the godowns owned by the weighman and recovery of the full amount does not therefore seem possible. In the circumstances, the action proposed in the O.M. dated the 29th Aug. 47 may be taken now. The letter at P.6 ante may issue after usual to the A.D.
